**Subject:** RE: Bremerton Gas Works - RI/FS scoping - meeting with stakeholders

All-

Thanks for your responses. It looks like the afternoon of Monday, June 30<sup>th</sup> works for almost everyone and is the date that accommodates the most people. We will have a speaker phone available and will send out a call-in number for anyone who wishes to call in rather than attend in person. The meeting will be from approximately 2 to 4 pm at Cascade

Natural Gas offices in Bremerton, with an optional site visit (approximately 4-5pm) afterwards. I will also send an Outlook Meeting Invite for the meeting.

An agenda and directions to Cascade's office and the site will be sent out later this month. Feel free to contact me or the EPA project manager, Bill Ryan (206-553-8561), if you have questions in the meantime.

Thanks,  
Jeremy
